CONDOLENCE ON THE PASSING OF ROB LEGH

With the permission of Mguni AJP,

I write on behalf of the CAC to express the condolences of the Court to your firm and the family of Robert Legh on the devastating loss of your chair and the father and husband of his family. I knew Robert very well not only through his meticulous work as a leading competition lawyer but also as a colleague who was deeply committed to the cause of justice in this country. I recall well the support he afforded me as JP of the court with regard to my efforts to expand briefing patterns and the need for greater competition expertise in the country. He was a truly decent human being

of exceptional stature. Please convey our condolences to your firm, his wife Kathryn and the Legh family.

Sincerely
Dennis Davis
Retired JP
