Dear Ezra, Kathryn, Tom, India and colleagues of Robert

The Judge President, Judge Mlambo, recalls that he and Robert had started their careers together at Bowmans acting for trade unions and that Robert was a reliable, effective and humanitarian jurist through and through. The JP also acknowledged with appreciation that Robert as Chairperson of Bowmans ensured that Bowmans supported the community advice office sector with financial and material resources.

Robert Legh was, as remarked by the Deputy Judge President, Judge Sutherland, a thoroughly admirable person and an exemplar of what a lawyer should be.

Robert touched many lives, championed many transformation initiatives and supported many causes whilst guiding his firm into Africa and broadening inter-continental ties within the African legal profession.

His invaluable contributions and great integrity will be sorely missed.

Our sincerest condolences to you his colleagues, and to Kathryn, Tom and India.

Judge Ingrid Opperman

on behalf of the Judge President (Judge Mlambo), the Deputy Judge President (Judge Sutherland), the Acting Deputy Judge President (Judge Victor), and all other Judges of the Gauteng Local Division Johannesburg.
